

HEART STRINGS

Words: Charlie Comstock

-- Verse 1 --

These heart strings keep pulling me
To live a better life.
They tug and they move me,
closer to the light.
And at the end of each day,
when the pulling is through.
I want a heart with no strings attached,
I want to be like you.

-- Verse 2 --

These heart strings are keeping me,
from going the wrong way.
They lift me from darkness,
through out the day.
And when life seems pointless,
so I want to be through.
I need a heart with no strings attached,
I want to be like you.

Your love is unconditional,
it's pure and it's true.
You have loved us always,
for eternity through.

Cast you net upon my life,
pull me to the shore.
Hold my heart strings in your hands,
to let me love you more.
